

Arnav Sabharwal

✉ arnavsab@cs.cmu.edu 📍 Pittsburgh, PA 🌐 Arnav-99

Education

- | | |
|---|---------------------|
| Carnegie Mellon University , Computer Science | Pittsburgh, PA |
| • Enabling the analysis of memoized functions in Resource Aware ML 2, a tool for statically bounding the cost of ML programs. | May 2026 – May 2027 |
| Carnegie Mellon University , Computer Science | Pittsburgh, PA |
| • University Honors | Aug 2022 – May 2026 |
| • SCS College Honors. Honors thesis was on implementing hybrid resource analysis in RaML 2. | |

Experience

- | | |
|---|---------------------|
| Ernst and Young LLC , Software Engineer | Mumbai, India |
| Implemented & evaluated a retrieval augmented generation pipeline with a novel knowledge-graph construction method. | May 2024 – Aug 2024 |
| | 4 months |

Languages

English
Fluent

Hindi
Native speaker

Projects

- | | |
|---|--------------------|
| Resource Aware ML | May 2025 – present |
| Implementing type-based static resource analysis for ML-style programming languages. | |
| • Integration of data-driven analysis to tightly analyze programs involving logarithmic complexity. | |
| • Enabling the analysis of memoized functions as polynomial time programs. | |
